

NEWSLETTER TO PARENTS and CARERS DECEMBER 2012

Headteacher's Letter

Dear Parents and Carers,

Here is the last Newsletter home of 2012, and therefore the end of the Autumn Term must be nigh, and the Christmas holidays not too far away.

Thank you for your support and encouragement throughout this long term, at parents' evenings, in the times you call in to for events and performances, and in many more ways. It is much appreciated.

At the end of this term, we shall be saying farewell to several members of staff who have been part of our school for many years, and we shall miss them greatly as they move away from us. We wish them happiness, health and good success in wherever they are heading to next and for 2013.

Mrs Tipping leaves the Science department after more than three years' service, including teaching A level Physics. Mr and Mrs Hopkins move on from the English department, so that Mr H can take up a post as Head of English in a secondary school in outer London – best wishes to them as they move south. Mr Johnston is going further, leaving our Music department to head to Brittany with his family, so all good wishes for that move too.

Three members of staff are beginning their retirement at the end of this term: Mr Scott from the History department, where he has been a much respected teacher and colleague; Mrs Cookson from the Sixth Form Office and Reception, and Mrs Gosling, from being Clerk to the Governors, having been PA to several headteachers for 15 years. We wish them long, healthy and happy retirements.

Mrs Sims begins her maternity leave and we wish her most well. Her post as Head of Kilimanjaro House will be taken by Mr Irving. We have also been able to ensure that all of the classes of the leaving members of staff are covered in the New Year.

Before we get there, you are all warmly invited to our **Carol Service** which is to be held in the cathedral by kind permission of the Dean and Chapter on **Monday 17th December at 7.00pm**, followed by mince pies and mulled wine in The Fraternity. While the invitation is warm, the cathedral usually isn't at this time of year – it is a two-pairs-of-socks and warm woollies. But – do not be put off, he said! – it is a lovely service for the school to gather at this time of year with families and friends.

All good wishes for Christmas and for 2013.

Yours sincerely

Alan Mottershead

Headteacher

Chaplaincy

On Wednesday a group of volunteers from the diocese, NISCU and YWAM came into school to do some Religious Studies lessons and to perform sketches from the nativity story during lunchtime. In both the Golden Triangle and the Jubilee Hall groups performed sketches from the nativity story during lunch, and provided much entertainment to us all, as well as revealing the true meaning of Christmas. In the Religious Studies lessons many Year 8's said that the main reason they celebrated Christmas was for the presents! While amusing this is also not too far from the true meaning of Christmas - Jesus was God's gift to the world and this gift is why Christians around the world celebrate Christmas. "For God so loved the world that he gave his one and only Son, that whoever believes in him shall not perish but have eternal life." – John 3v16 (NIV)

Information for Parents and Carers

Practicalities

End of Term Arrangements

In keeping with tradition, the school will close for the Christmas holidays on **Thursday 20th December at 12.30pm**. There will be House Assemblies and the Sixth Form Assembly. Students who have free school meals will be able to collect a packed lunch from the dining hall at break.

Exams

January module exams for Years 12, 13 and some Year 11 begin on Wednesday 9 January and last until Tuesday 29 January. The Year 11 Mock exam results will be available to students in January during lesson time.

Year 9 Exam Week

Year 9 will have a week of exams in all their subjects during the week beginning 28th January. We hope to give them support by running sessions on how to revise in the build up to the exam week.

Learning Theme

The learning theme for next half term is all about Peer and Self Assessment. There will be a greater emphasis on students taking responsibility for learning by being involved in assessing their own work and that of their peers. The benefits of this are for students to have a greater understanding of what a good piece of work looks like and how to use this to improve their next piece of work. We feel that students will be more independent by being more involved in the process of assessment.

Coming to school and going home safely

When we return to school in January, the days will start to provide us with more hours of daylight, but until half term, many students will be coming to school and going home in the dark. We continue to emphasise with them the need for extra care, particularly in crossing roads, on the way to and from school. Wearing a coat/jacket of light colour is usually a good idea.

Request for Holidays during Term Time

We are advised by the Local Authority that wherever possible, absence from school should be avoided as it can have a serious effect on your child's educational progress, and can create difficulties for them on their return to school, particularly if they are joining a new school or class.

If, after serious consideration of this, you still propose to take your child away from school for a holiday, it is important to note that **only the Headteacher can authorize that absence. Parents/carers cannot authorize the absence themselves.** Whenever possible therefore we would ask that family holidays should be arranged to take place during school holidays. Schools do have discretion to grant up to 10 days leave during term time, but before doing so they will consider your child's situation carefully. In considering a request, the school will take into account the child's age, the time of year of the holiday, the nature of the visit and parental wishes. The headteacher will also consider the child's stage of education and progress and the child's overall attendance record. Headteachers will not authorize absence if they believe that the request is unreasonable and a request needs to be made to the school **at least two weeks** before the start of the holiday. Only in **exceptional** circumstances can a headteacher grant leave of more than 10 days in term time.

Where a family holiday during term time is agreed to be unavoidable, **it is vital** that it does not coincide with examinations or other important tests that your child has to take.

Electronic Communication

If you would like to view the newsletter electronically on our website instead of receiving a paper copy, can you please inform Mrs Jackie Hunton in Central Office on Tel No. 516051 Ext. 264 or by e-mail jhn@trinity.cumbria.sch.uk.

Messages from home

In the afternoon we are now registering students with their class teachers at the start of period 4. This has many advantages, taking a double set of movements out of the middle of the day and allowing us to finish five minutes earlier. However, it has made passing messages from home to students during the school day a little more difficult. We would appreciate your help in only asking us to pass a message to your son/daughter if it is urgent. Thank you. **Mr Lythgoe**

Box Tops For Books - The library are collecting *Box Tops For Books* tokens from cereal packs – collection boxes at Main Reception and in Chapman Library.

Cashless Catering

The introduction of cashless catering to Trinity School has been a great success with students and staff experiencing a more efficient catering service in school.

Some of the direct benefits of the new system have included reduced queuing time; students on free school meals remaining anonymous; a reduction in the amount of cash in school alleviating potential problems of loss, theft or bullying; and a direct tie-in to the existing cards students use for Library, printing and door access across external entrances to the school. A significant number of parents have chosen to take up the on-line payment system (ParentPay). By using ParentPay parents are able to credit their child's account online, and check online what items their child is buying. Many parents have told us they are reassured to know how lunch money was spent. Parents can never be sure how cash given to students in the morning is actually being spent. We now offer many more benefits of paying by ParentPay including for example payment of instrumental lessons, school trips and examination re-sit fees.

If you have not already signed up for the benefits of ParentPay but wish to do so you should visit the parent page on our website for further information. You can then contact us by e-mail, phone, or letter to request activation details which we will mail to you by return. Parents have found the setting up of a ParentPay account very straightforward and if you have more than one child in school it is easy to add them to the main account once it is set up. We intend in the near future to add even more features to ParentPay to make paying for any item in school even more efficient.

Parking

A polite reminder to parents and carers - **please do not stop or park outside the school entrances on the double yellow lines or zigzag markings even to drop off or pick students up from school.** Although we only have one school bus, it does need to be able to stop by the kerb and not in the middle of the road. Waiting on double yellow lines or on the zigzags is causing hazards for students crossing the road, or getting onto the bus, and to residents on Strand Road. We are advised that traffic wardens will be visiting the area from time to time to try to improve the current situation. Indeed, the News and Star carried a story of a van with cameras being busy in Carlisle covering this very issue.

Collection of certificates

A/AS/GCSE certificates from **summer 2011** are available to collect from the Sixth Form Office during school hours. A/AS/GCSE certificates from **summer 2012** will be available to collect in the New Year.

Instrumental/Singing Tuition Fees 2012/13

Invoices have now been sent to Parents/Carers for Music Fees for this academic year. A reminder that the 1st instalment should be made by 20th December 2012. Payments can be made by standing order, credit /debit card either with ParentPay or by phoning the Finance Office. Payments by cash and cheque are still acceptable, cheques should be made payable to 'Trinity School'.

If you have a query or you require further information please contact the Finance Office on 01228 516051 ext 215. **Alison Larking, Finance Manager.**

Uganda

Fundraising for the Uganda Project is continuing and we are now selling 2013 calendars which feature pupils from the different school trips at £4.50 as well as mugs with pictures of African wildlife on them at £5. Both of these would make excellent Christmas presents and can be obtained from Mrs Jary.

Recent Events

Global Entrepreneurship Week

During November we had Global Entrepreneurship Week. The theme this year was 'Pass it on' where all of our key stage 3 students took part in a range of enterprising activities. Overall the whole week involved getting several hundred young people engaged and thinking about a subject of which they had no concept. They managed to gain results way beyond their own and our expectations, reinforcing and supporting what goes on back in the classroom. Year 8 students participated in 'Spark it' and 'Eco Fish'; a packed and exciting workshop to raise awareness about sustainable fishing on a global scale. Year 7 students took part in 'Stock Market Challenge' which brings the unique excitement of live trading into the classroom. Students were able to buy and sell items according to market conditions, involving problem solving, risk management and team building. Year 9 had the opportunity to experience 'Make it in Action': bringing manufacturing to life. Teams of students had to design, manufacture, cost and market a prototype car from scratch.

Future Chef Competition

On Tuesday, 20th November the school heat of Future Chef 2013 took place at Trinity. The competition was open to students aged between 12 and 16, and in the past our students have achieved considerable success. 13 students took part, 3 boys (Luke Reid, Jacob McAlindon and Kieran McBride) and 10 girls (Georgia Murray, Christina Mykland, Imogen Dodd, Seona McKay, Alex Campbell, Masie Cupid, Emma Royle, Helen Moffatt, Olivia Graham and Emma Little). Their task was to produce a hot main course for two people within a one hour cooking time and for a budget of £5. The standard was very high, with a wide variety of dishes being produced. The overall winner was Imogen Dodd 9BIR, who will now progress to the next round to be held at West Lakes College in January. We wish her good luck. In the meantime, Imogen will be mentored by Chris Austen, owner of David's Restaurant in Carlisle, to improve her skills and hopefully help develop another winning dish!

Art and Photography visit to London.

On a recent Art and Photography trip to London, the galleries and museums made quite an impression upon our students; with their comprehensive exhibits and the actual architecture of the buildings themselves. We did manage to include some of London's major tourist attractions such as the Houses of Parliament, Westminster Abbey and Downing Street. St. Paul's Cathedral was particularly exciting with all students climbing to the 'Whispering gallery' if not to the 'Golden gallery' on top of the Dome for spectacular views across London at sunset. The students all had a wonderful time drawing inspiration from the Tate Britain Gallery, especially the Pre-Raphaelite exhibition and the Photography exhibition in the Sainsbury wing of the National Gallery. Mr Quigley

Shakespeare Schools' Festival

Our thanks and appreciation go to all the cast and crew (30 students in all) and to Ms Southwell for their excellent interpretation of the abridged 'Hamlet' at the Theatre by the Lake on Monday, 19th November. It was a truly superb, energetic and well rounded performance, with students showing a fine understanding of the complex narrative and of the nuances of their lines - many congratulations.

Year 11, 12 and 13 Parents' and Carers' Evening

We have had three very successful Parents' and Carers' Evening since our last Newsletter home. We had a good turnout and plenty of practical advice for students and parents. Year 11 and 12 Parents were able to collect practical handouts from subject teachers, however if you were not at the evening and would like copies of the sheets, they are available on the Trinity school website. Year 13 students were encouraged to make the most of their remaining time in Sixth Form before the exams in January and June.

Year 7 Freeze Day – Tuesday 4th December

Olympic rower Matt Wells visited us on Tuesday 4th December to work with our Year 7 students. The aim of the visit was to complement the learning that they already do as part of their Learn to Learn course. Positive role model Matt talked in an assembly, to students, about his experiences. During the assembly students were asked to answer questions about the Olympics and if they were correct, they were invited to the front to wear one of his Olympic jackets. Matt talked a lot about being resilient and how the qualities needed to be successful at sport can be used in the classroom and throughout life. Students really enjoyed his talk and the chance to see his medals up close. The rest of the day involved students trying activities that they had not participated in before, with Matt giving advice and coaching them. Students had a lucky dip to find out which activities they would try, from wakeboarding to zumba to judo to free running. They were being encouraged to "have a go" at something new. This is in line with the Learn to Learn course where students learn how important it is to be resilient, responsible, reasoning, reflective and resourceful learners. Students also participated in classroom based activities about learning and produced pages of a booklet for Matt to take away about the characteristics of successful learners in the context of the Olympics. Matt met some of our most talented sportspeople in other years over lunch and adjudicated in rowing competitions, too.

The Uganda Project

Fundraising has now started to bring students from our partner school in Uganda over to Carlisle next July. Over 70 students from Years 11 and 12 have signed up to help with the Project and on Wednesday, 24 October they took part in Uganda Day. During break and lunchtime cakes were sold and there were many other stalls including a tombola, a raffle, guess the name of the bear and nail painting. Over £300 was raised on the day. We would like to thank all parents for their continuing support of the project.

Mrs Jary

Sixth Form news

Two Sixth Form teams competed in the Rotary Club "Youth Speaks" debating competition on Wednesday 5th December. Team A (Heather Medley, Will Jardine and Katie Murphy), gave a speech on the value of animated films, whilst Team B (Luke Gay, Jed Butress and Ross Foster) gave a humorous talk on the reasons why aliens might invade Earth. Both teams gave highly professional and entertaining talks, with Team B being voted runners- up.

Mrs Medley

Amazon House

Amazon House has got off to a very good start in the new House system at Trinity. 9 DWB won the year group football competition and were presented with the cup proudly displaying its green ribbons in assembly. Well done to all the boys involved. We are hoping to fill the Amazon House section of the new trophy cabinet shortly! 155 students in the House were sent postcards recently celebrating their success in the recent interims and Green Stars are being given this week to our highest achievers to acknowledge their hard work. Well done, everyone!

We have adopted the Jaguar as our House charity and have a new arrival in the shape of our cuddly mascot. Jaguars are an endangered species because of the over use of their habitat – predominantly the Amazon Rainforest. More news of charity events to follow.

Forthcoming events

Carol Service - Monday 17th December at 7.00pm, Carlisle Cathedral

This Service is one of the highlights of the school year in which the school and parents/carers and the Cathedral come together to celebrate the festival of Christmas.

Year 11 Ace Day

To ensure all of our students have a sound appreciation of the possibilities open to them following Year 11, they are invited to an Ace Day at the University of Cumbria, Learning Gateway on Fusehill Street, Carlisle. The event will take place on **Tuesday 8th January**. At this half day event presentations will be given by a wide range of providers including Trinity Sixth Form, University of Cumbria, National Apprenticeship and a large group of local training providers and employers. The students will take part in a series of workshops and lectures which will provide information on a broad range of post 16 options. Students will also spend time with their form tutor carrying out a progress review. Letters should have arrived home by now, informing parents/carers of the timing for the day. In the meantime, if anyone has any questions or enquiries, please do not hesitate to contact Mrs Rothon.

Who do YOU think you are?

Who do YOU think you are? The popularity of some of the celebrities such as Chris Moyles featured on the WDYTUA programme has helped to make family history or genealogy really appealing for young people and so Trinity School is launching a new after-school club which will enable students to either research their own family history or that of old scholars of the school. The club will take place on a Wednesday from 3.30 to 4.30 in IT4 and will begin after the Christmas holidays. The project work that the students will undertake will also encourage the development of a wide range of skills including numeracy, research and applying logic to a situation which is meaningful to students.

If students wish to research their own family tree then they will need to obtain a permission form from either Mrs Webb or Mrs Dinning for their parents to complete. The school has already researched a number of old Scholars and we would like to encourage pupils to join in with this project too. The History department runs a World War I Battle Field Trip and this club may be of particular interest to those who wish to take part in this.

Trampolining

In November the North of England Trampolining Championships took place at Ashington. Trinity students competed over the two days as part of the Carlisle Trampoline Club squad. There were excellent performances which saw many of the trampolinists in either individual, team or synchronised pairs in medal winning positions in both individual and synchronised events.

Both boys who took part in the individual competitions - Robert McSkeane in the Under 13 Group and Charles Armstrong in the Over 15 section came second and third. It was their first time at the Northern Championships. In the Under 15 Girls category Lucy Jefferson and her partner from RRMA finished in second position for the third year running being beaten by a trampolinist who trains with the GB Team and her partner. In the Under 17 Girls Synchro, Sadie Brunskill and Alex Jefferson came first and then went on to take second place in the Ladies competition to Olympian, Kat Driscoll and her partner. Kat was third in the recent World Championships for synchro. Both girls gave a sterling performance and were delighted with their podium finish. Alex Jefferson came second in the Over 15 category narrowly missing out on being North of England Champion for her age group by only 0.07 points which separated first and second place.

Cumbria Schools' Trampoline Championships - Saturday 10th November 2012 – Caldew School Dalston

Congratulations to all 27 Trinity students who took part in this competition. We had a fantastic day with many outstanding performances. The level of commitment and enthusiasm from everyone who took part, whatever their final position, was commendable. The Trinity Medal Winning Results were as follows:

Congratulations to all the students from Trinity who took part. The under 15 Girls Elite team have successfully qualified for the Zonal Schools Finals to be held at Robin Park, Wigan on the 19th January. Thank you to Mrs Clark, Mrs Jefferson, Victoria Foster, Vanessa Foster and Jessie Andrews for all volunteering to help on the day.

County Netball

Results from the County Tournament held at a very wet Windermere School: U14 team Dayna Goodall, Lily Wilson, Chloe O'Neill, Abigail Crooks, Kate Lawson, Liz Emerson, Phoebe Wilson and Elle Walsh. The team played some excellent netball, however they met with strong opposition. They drew their first game against Chetwynde but lost to Nelson Thomlinson, Q.E.G.S. and Sedbergh.

Under 16 County Netball Tournament held at Dalton-in-Furness

Trinity 6 Nelson Thomlinson 11
Trinity 2 Queen Elizabeth Kirkby Lonsdale 9
Trinity 4 Chetwynde 7
Trinity 3 QEGS 8

The team played some very competitive netball. Squad: Philippa Harmison, Anna Lightfoot, Jenna Graham, Libby Sander, Emma Walker, Lucy Anderson, Chloe Squire and Hannah Hayes.

Netball

U13 Trinity 11 Newman 1
U13 Trinity 20 Caldew 1

The Girl of the Game for both matches was Ella Morley. The team was Ella Morley, Ellie Morton, Lucy Morton, Grace Singleton, Grace Tyson, Jodie Leeson, Meg Burns, Sara Gibson, Kyra Walton and Jessica Elliott.

U15 Trinity 7 Caldew 10

The Girl of the Game was Caitlin Adam. The team was Caitlin Adam, Rhianna Hughes, Alex Jefferson, Chloe Bell, Abbie Mawson, Liz Emerson, Megan McKie and Jenny Ostridge.

Under 14 Netball

Trinity 11 Newman 7

Squad Phoebe Wilson, Liz Emmerson, Lily Wilson, Becky Robertshaw, Sarah Frame, Chloe O'Neill, and Girl of the Game: Elle Walsh.

Under 15 Netball

Trinity 8 Newman 10

Squad Caitlin Adam, Chloe Bell, Megan McKie, Laura Carr, Abbie Mawson, Rhianna Hughes, Jenny Ostridge, Reece Dixon, Emma Gorman and Girl of the Game Alex Jefferson.

Hockey

The Under 16 Hockey team represented Cumbria in the North West Semi Finals of the National Cup. They travelled to Altrincham and played winning teams from other Northern Counties. The Trinity girls played exceptionally well with some excellent team play and determination. The first match against Archbishop Blanche resulted in a 3-0 win for the Merseyside team. The second match was played straight after the first which gave the Trinity girls no time to recover and was a real test of fitness. Arnold school from Lancashire were the next opponents and were obviously a very experienced team. Trinity defended well with Shani Brooks making many fantastic saves; Philippa Harmison worked tirelessly in defence as did Jenna Graham, Anna Lightfoot and Caitlin Beattie. The match ended in Arnold school's favour but the Trinity girls fought well and there was a definite improvement to their game. Well done to the team Philippa Harmison, Shani Brooks, Anna Lightfoot, Caitlin Beattie, Jenna Graham, Rebecca Morley, Reece Dixon, Molly Davy, Sophie Ritchie, Natasha Prangnell, Lucy Anderson, Alex Jefferson and Lauren Ulyart.

Congratulations to Philippa Harmison who represented the North of England in Hockey's 'Futures C.

Ten Year 7 students took part in their first friendly hockey tournament against students from Ullswater and William Howard. The girls played very well and there were some excellent results with many goals being scored. Team: Casey Marsh, Katie Sibley, Jade Airey, Justine Gibbons, Caitlin Conway, Lauren Taylor, Grace Foster, Megan Hanson, Sophie Mason and Holly Falder.

The Under 13 team competed in the County round of the U13 National 7 a side competition at Austin Friars. The girls did well to win 2 and draw 2. They lost 2-0 to the eventual winners, QEGS. The team was Amelia Wilson, Rachael Davidson, Kyra Walton, Lucy Brown, Lucy Millar, Lucy Jefferson, Imogen Clark, Imogen Longcake, Eve Driver, Chloe Watson and Ella Crook.

Cycling

Whilst most students will have been having a relaxing week, Ellie Dickinson in Y10 has been away training with the GB cycling Talent team – a real taste of what's to come if she continues being so successful in her sport.

Many of you will feel ready to do some exercise in the New Year so here is a brief on what you can do to get in shape.

Body Weight Burn - Tuesdays 6.00pm - 6.30pm

Aqua Tone - Wednesdays 7.00pm - 7.50pm

There will be some great membership offers in January and it is a great time to save money on your exercise regime. The gym and pool are always a good place to start building up your fitness campaign.

If you want to visit us over Christmas and New Year then please see our list of opening times.
