This is designed to cover the costs students might incur through their learning, for example for re-sit exams, re-marks, UCAS applications, visits to university Open Days, school trips or the purchase of necessary equipment.

Please see Miss Devlin for more details.

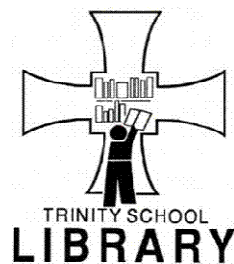

!! REMINDER !!

**GCSE and AS/A level
certificates from summer 2011
are now available to collect
from the Sixth Form Office
during school hours.**

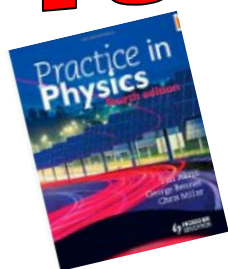

News From The Library

www.trinitylibrary.co.uk

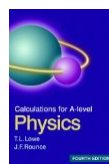

First of all a big **welcome** to **Mrs Beale**, our new Temporary Librarian. She is here to help us whilst Mrs Turnbull is convalescing. We are also being helped by **Mrs Ledingham**, whom some of you may already know from the Language Department.

Focus on Physics!

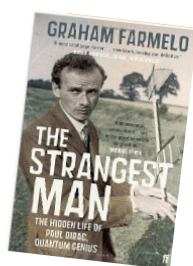

Trajectories of Long Jumpers

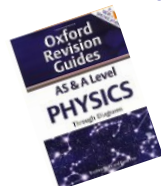

Principles Behind The Hadron Collider

Join The Hunt For Cosmic Beauty In Numbers

Orbital Motion of Satellites

Quarks and the Nature of The Universe

The Library has recently updated and expanded its stock of Physics books. All have been carefully selected to help understanding of key concepts, aid revision or extend background knowledge.

"... enthusiastic guide to the strange and wonderful microcosmic world that dwells deep within reality"

Finally...

As part of the ongoing programme of reorganisation and improvement, the following books have been moved to their own dedicated section opposite the library office:

100 Philosophy, 170 Ethics (Moral Philosophy), 200 Religion
