Cycling

Ellie Dickinson represented Trinity School after being selected by the NW Team to compete in the three day Tour at Redbridge Cycling Centre and the Olympic Velodrome in London as part of the Sainsbury School Games 2012. On 6 May Ellie travelled to London as part of the NW team to London, collecting the East Midlands Team on the way. At the end of racing each day, the Athletes were taken to the EXcel centre for a presentation by former world class athletes, including Lord Coe. On Monday and Tuesday the teams were based at the Redbridge Cycling Centre and some tough races took place. Ellie was placed seventh in the Crits and ninth in the Road Race out of forty nine of the top Under 16 riders in the UK. Wednesday was the event all the athletes were waiting for – in the Olympic Velodrome, London. Ellie qualified for the final at the Olympic Velo in the Keiran race, and came away with bronze - amazing as the first and second placed girls, from West Midlands and Wales, were both aged 15/16 while Ellie is only 13!
